
DEFINITIONS OF TERMS FOUND IN THIS SCHEDULE

3 Distinct means 3 differently named roses, (eg, Peace, Moonstone & St Patrick)

1 Cultivar has the same meaning as 1 variety (same name).

NND means “not necessarily distinct” which allows the exhibitor to mix or match varieties in the exhibit to suit the available roses (eg, 3 Stems NND would allow a choice of either 3 distinct cultivars, 3 of 1 cultivar, or 2 of 1 cultivar plus 1 of another different cultivar).

Cut: A cut is a stem that carries **more than** one bloom, and/or side buds.

Stem: A stem is defined as an original new growth which carries a single bloom or single bud and has received no check from pinching, stopping or pruning from the time of starting into growth to flowering. Disbudding is not regarded as a check to growth under this definition. The stem should be proportionate in thickness and length to the size of the bloom it carries.

Blend Coloured: A rose exhibiting a blend of more than one colour. Refer to Modern Roses XII for classification where required.

Exhibitors please note:

STEM count is determined at the point of emergence of the stems from the top of the Society’s containers, where the judge can see them, so be VERY careful when staging multi-headed stems (where the number of stems is specified). Make sure the point where the lowest side shoot joins the main stem is above the top of the container. Also please remove foliage that would get jammed among the stems where they emerge from the container as this makes the count difficult for the judges.

CHAMPION and RESERVE CHAMPION EXHIBITION BLOOM will be selected from Classes 6, 8-15, & 17-25 inclusive. Should neither of these awards be taken from Division II, a special award “BEST ROSE DIVISION II” will be made.

SHOW CONDITIONS OF ENTRY

1. The Auditorium will be open for exhibitors at 7am Saturday. All exhibits must be staged by 10am, when all exhibitors must leave the exhibition area or be disqualified. Any exhibit not then completed will not be allowed to compete. Judging shall commence at 10am. No exhibit shall be removed before closing time on Sunday without the permission of the Chief Steward.
2. All roses will be judged under National Rose Society of Australia standards — copy available from the QRS Chief Judge. If a Show Schedule specification conflicts with the N.R.S.A. standards, then the schedule specification shall prevail. Wiring of stems permitted for all Exhibition Bloom Classes, all of Section 9, all of Section 15, Classes 41, 49, 58, 65, 81, and 85 only, but should not be obtrusive. Note: No other artificial aids allowed above top of container. Pellets: One point to be deducted for each pellet found.
3. The decision of the Judges will be final.
4. All exhibits except those in the Floral Art Section, must be staged in the specimen containers provided by the Society.
5. Care will be taken with the exhibits, but Committee will not be responsible for any loss, accident or damage to any exhibit.
6. All blooms exhibited must be grown by the exhibitor, except in the Floral Art Section.
7. **LATE ENTRIES** permitted **ONLY IF SPACE IS AVAILABLE** — but any late entries staged without the express permission of the Chief Steward on the morning of the show will be disqualified.
8. Exhibitors are limited to four (4) entries in any one Class.
9. Exhibits **MUST** have a variety card for each **ITEM** with the Exhibitor's number written on the **BACK** (to preserve anonymity) — both available from Chief Steward/Deputy Chief Steward.
10. Exhibitors may exhibit either in Divisions I, II or III (but not in more than one). Any exhibitor who has exhibited in Division I cannot revert to Division II. Likewise any exhibitor who has exhibited in Division II cannot revert to Division III.
11. **GRADUATING FROM DIVISION II TO DIVISION I:** Points will be awarded at monthly and major shows (excluding December shows) to Division II exhibitors in the Exhibition Rose Sections and recorded by the Chief Steward. Points will be earned as follows: 3 points for a Champion Bloom, 2 points for a Reserve Champion or 1st in a Class, & 1 point for 2nd in a Class. When an exhibitor's total point score exceeds 50, that person automatically graduates to Division I at the start of the following calendar year. This does not preclude a Division II exhibitor from changing to Division I voluntarily before amassing 50 points, but see Rule 10, which prevents reversion to a lower Division.
12. A **Division III (Novice)** exhibitor is a member or affiliated society member who has been an exhibitor for less than 2 years and has not won more than three major/best exhibit awards in Division III at any shows.
13. The Queensland Rose Society uses the American Rose Society Classification of Roses as per "Modern Roses 12" as our guidelines. Please refer to this for any points of Contention.
14. All cultural exhibits become the property of the Queensland Rose Society Inc with the exception of Floral Art, Seedlings and special exhibits.

For other rules and tips consult our Exhibitors Handbook — obtainable from the Secretary or on the website www.qld.rose.org.au
