3 Distinct means 3 differently named roses, (eg, Peace, Moonstone & St Patrick)

1 Cultivar has the same meaning as 1 variety (same name).

NND means “not necessarily distinct” which allows the exhibitor to mix or match varieties in the exhibit to suit the available roses (eg, 3 Stems NND would allow a choice of either 3 distinct cultivars, 3 of 1 cultivar, or 2 of 1 cultivar plus 1 of another different cultivar).

Stem: A stem is defined as an original new growth which carries one bloom or one bud and has received no check from pinching, stopping or pruning from the time of starting into growth to flowering. Disbudding is not regarded as a check to growth under this definition. The stem should be proportionate in thickness and length to the size of the bloom it supports. STEM count is determined at the point of emergence of the stems from the top of the Society’s containers.

SHOW CONDITIONS OF ENTRY-1

The Auditorium will be open for exhibitors at 6:30am Saturday. All exhibits must be staged by 9:30 am, when all exhibitors must leave the exhibition area. Any exhibit not then completed will not be allowed to compete. Judging shall commence at 9:45 am. No exhibit shall be removed before closing time on Sunday without the permission of the Chief Steward.

All roses will be judged under National Rose Society of Australia standards — copy available from the QRS Chief Judge. If a Show Schedule specification conflicts with the N.R.S.A. standards, then the schedule specification shall prevail. Wiring of stems permitted for all Exhibition Bloom Classes, full blooms, 3 stages of opening and where otherwise specified in the schedule but should not be obtrusive. Note: No other artificial aids allowed above top of container. Pellets: One point deducted for each pellet found. Two or more pellets means the entry is disqualified.

The decision of the Judges will be final.

- All exhibits except those in the Floral Art Section, must be staged in approved containers.
- Care will be taken with the exhibits, but the Committee will not be responsible for any loss, accident or damage to any exhibit.
- All blooms exhibited must be grown by the exhibitor, except in the Floral Art Section.

LATE ENTRIES permitted **ONLY IF SPACE IS AVAILABLE** — but any late entries staged without the express permission of the Chief Steward on the morning of the show will be disqualified. Exhibitors are not limited in the number of entries in any one Class unless otherwise specified in the schedule. Exhibits **MUST** have a variety card for each **ITEM** with the Exhibitor's number written on the **BACK** (to preserve anonymity) — both available from Chief Steward/Deputy Chief Steward.

In Classes 8-27 inclusive, exhibitors may exhibit either in Divisions I, II or III (but not in more than one). Any exhibitor who has exhibited in Division I cannot revert to Division II. Likewise, any exhibitor who has exhibited in Division II cannot revert to Division III. All exhibitors may enter any other class in the schedule.

SHOW CONDITIONS OF ENTRY-2

GRADUATING FROM DIVISION II TO DIVISION I: Points will be awarded at monthly and major shows (excluding December shows) to Division II exhibitors in the Exhibition Rose Sections and recorded by the Chief Steward. Points will be earned as follows: 3 points for a Champion Bloom, 2 points for a Reserve Champion or 1st in a Class, & 1 point for 2nd in a Class. When an exhibitor's total point score exceeds 50, that person automatically graduates to Division I at the start of the following calendar year. This does not preclude a Division II exhibitor from changing to Division I voluntarily before amassing 50 points, but see Rule 10, which prevents reversion to a lower Division.

A **Division III (Novice)** exhibitor is an exhibitor who has not won more than three major/ best exhibit awards in Division III at any shows.

CHAMPION and RESERVE CHAMPION EXHIBITION BLOOM will be selected from Classes 6, 8, 9-15, 16-22 & 23 (**Now includes Novice HT Rose**)
