MAJOR CHANGES FOR THIS ROSE SHOW:

***** Most Classes are now OPEN to all exhibitors, including Novices.**

HYBRID TEA ROSES: All HT rose cultivars can now be exhibited in any Hybrid Tea class, thus cancelling the previous “Exhibition only” rose list. However, there are no points for form in Decorative Rose classes, therefore, high centres and perfect spiral petals are not judged in a Decorative Class. The 100 points for Decorative HT roses are Condition (40), Overall Beauty (30), Stem & Foliage (20) & Presentation (10). Conversely, Exhibition HT roses are judged by Form (40), Condition (30), Size (20) and Presentation, Stem & Foliage (10).

In the following classes, NND means Not Necessarily Distinct or Different and allows exhibitors to match or mix three roses of the same type (with the same or different names): for instance, three of the same Exhibition HT roses (e.g. 3 St Patrick yellow roses), or 2 of the same HT cultivar plus a third HT rose (e.g. 2 St Patrick roses plus a red Kardinal) or 3 completely different Exhibition HT roses (such as a St Patrick, a Kardinal and a white John Paul rose).

 [Novice Section] **Class No: 15.**
- 2) All blooms exhibited must be grown by the exhibitor, except in the Floral Art Section. An exhibitor who does not know the name of their rose should write 'Unknown' on the card.
- 3) Once entered, all cultural exhibits become the property of the Queensland Rose Society Inc. with the exception of Floral Art, Seedlings and special exhibits.
- 4) **QRS HAS ADOPTED TWO DIVISIONS OF EXHIBITORS: OPEN and NOVICE**
 - **OPEN DIVISION** is open to all exhibitors, including Novices, and includes the majority of classes.
 - **NOVICE SECTION caters for new members and those who are relatively new to exhibiting roses.** A Novice is an exhibitor who has not won more than three major/ best exhibit awards at any shows. They may be new members or those who are relatively new to exhibiting roses. For various reasons, such as having only a few rose bushes, some of our members may remain in Novice Class at the discretion of the Chief Steward.

A Novice who has won more than three major/ best exhibit awards at any shows will be advised accordingly by the Chief Steward and will no

longer be able to exhibit in any Novice Class but will graduate to all Open Classes.

- 5) Exhibitors are not limited in the number of entries in any one class, unless otherwise specified in the schedule.
- 6) All exhibits except those in the Floral Art Section, must be staged in approved containers. Care will be taken with the exhibits, but the Committee will not be responsible for any loss, accident or damage to any exhibit.
- 7) **Wiring of stems can only be used where specified in the Schedule:** permitted for all Exhibition HT Classes, Full blooms, 3 Stages of Opening – ‘Vertical Arrangement’, Miscellaneous roses, all Exhibition Hybrid Tea Roses in a single container, Polyanthas and where otherwise specified in the schedule but should not be obtrusive. **Pellets: 10 points (10%) deducted for each pellet found - two or more pellets leads to disqualification. No other artificial aids allowed above top of container.**
- 8) All roses will be judged under **National Rose Society of Australia Standards** (2024 copy available online) - copy available for reference from the QRS Chief Judge. If a Show Schedule specification conflicts with the N.R.S.A. standards, then the schedule specification will prevail.
- 9) The Queensland Rose Society uses the American Rose Society Classification of Roses as per ‘Modern Roses 12’ as our guidelines. Please refer to this for any points of contention.
- 10) The decision of the Judges will be final – judges can withhold awards if exhibits are not up to expected standards.
