Please note, most sections in this schedule are now OPEN TO ALL EXHIBITORS, including Novice - apart from the specific Novice Class. The number of entries per class is limited to three.

EXHIBITING EXHIBITION HYBRID TEA ROSES:

Depending on their Form, Hybrid Tea Rose cultivars can now be exhibited either in an Exhibition HT Class or a Decorative HT Class, thus removing the previous “Exhibition Only” list. The main difference is there are no points for Form in a Decorative Rose Class; whereas roses with an Exhibition form i.e. (i.e. high centre & perfect spiralling petals) are judged by Exhibition standards.

- **The 100 points for Exhibition HTs are: Form (40), Condition (30), Size (20), Stem & Foliage (5) and Presentation (5).**
- **The 100 points for Decorative HTs are: Condition (40), Beauty (30), Stem & Foliage (20) and Presentation (10)**

NOTE: Due to the limited availability of the prerequisite glass bowls and frames for Special Display Classes (73-77), QRS can accept only a limited number of entries.

Distinct: different cultivars of the same type of roses: eg Hybrid Tea roses that are differently named eg. ‘Mr Lincoln’ or ‘Moonstone’ (both HT roses).

NND: Not Necessarily Distinct (or different) refers to three Roses [NND] that could include three ‘Pope John Paul II’ roses; or two ‘St Patrick’ and one ‘Mr Lincoln’; or three different Cultivars (one of each of the above named Cultivars).

PLEASE NOTE: STEM COUNT is determined at the point of emergence of the stems from the top or lip of the Society’s containers and must be clearly visible to the judges. When staging multi-headed stems in which the number of stems is specified, exhibitors need to be careful to ensure
